3.2 Buyer receives no other express or implied license or right under any patent, copyright, trademark, trade secret or other proprietary right. The Licensed Materials are protected by copyright laws and international treaties.

3.3 Buyer may make one (1) copy of the Software (excluding firmware), solely for backup purposes (unless additional copies are necessary for the Software’s intended use). Such copy shall be treated as an original for purposes of any restrictions herein. Buyer shall not remove, obscure or otherwise disturb any copyright or proprietary notices on the Licensed Materials, and Buyer shall reproduce the same on any copy.

3.4 Buyer shall not directly or indirectly: (a) decompile, disassemble, decode, reverse engineer (unless required for interoperability, but only where and to the extent the foregoing prohibitions are invalid under applicable law), modify, append, translate, copy (except as provided above), distribute, publicly display, disclose, sell, lease, loan, rent, transfer, assign, sublicense or otherwise provide to third parties the Licensed Materials, including their authorization control utilities; (b) release benchmarks or comparisons of the Licensed Materials; or (c) use the Licensed Materials for time-sharing, service bureau or subscription services.

3.5 Third-party software Tellabs provides to Buyer solely under the third-party’s name shall be subject to the terms and conditions, including the licenses, warranties and indemnities, specified by the licensor of the third-party software. To the extent that the Licensed Materials originate from a third-party licensor, such licensor may be a third-party beneficiary to the license granted herein, may enforce the license directly against Buyer, and shall have no warranty or other obligation or liability to Buyer under this Agreement regarding such Licensed Materials.

3.6 This paragraph applies to all acquisitions of the Licensed Materials by or for the U.S. government. The Licensed Materials have been developed entirely at private expense. The software and documentation are “commercial items,” as that term is defined at 48 C.F.R. §2.101, consisting of “commercial computer software” and “commercial computer software documentation,” as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202, as applicable. Consistent with 48 C.F.R. §12.212 or 48 C.F.R. §227.7202-1 through 227.7202-4, as applicable, the commercial computer software and commercial computer software documentation are being licensed to U.S. government end users (a) only as commercial items and (b) with only those rights as are granted to all other end users pursuant to the terms and conditions set forth in the Tellabs Standard Terms and Conditions for Tellabs Deliverables.

4. Information

Any drawings, specifications, technical and other information supplied by Tellabs shall: (a) be used solely for installing and maintaining Products; (b) not be used in a manner detrimental to Tellabs’ interests; (c) not be reproduced, used or disclosed to third parties without Tellabs’ prior written consent; and (d) remain Tellabs’ property.

5. Confidentiality

Licensed Materials contain confidential and proprietary information of Tellabs or its licensors. Buyer shall receive and maintain the Licensed Materials and other Tellabs confidential information (including this Agreement) in confidence and agrees to use at least the degree of care that it uses to protect its own proprietary information, but no less than reasonable care, to prevent the unauthorized use outside the scope of this Agreement, disclosure or publication of Tellabs confidential information. Buyer’s use of and access to the Licensed Materials will be strictly limited to its employees with a need to know who shall have contractually agreed to comply with confidentiality obligations no less stringent than those stated herein. Buyer’s obligations under this Section 5 shall continue indefinitely for so long as such Licensed Materials continue to be a trade secret.

6. Limited Warranties; Disclaimer

Tellabs’ Products are subject to Tellabs’ Global Warranty, available at <http://www.tellabs.com/legal/supportterms.shtml> or upon request. The Documentation is licensed “AS IS.” TELLABS EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

7. Limitation of Liability

TELLABS SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, PUNITIVE, INDIRECT OR SPECIAL DAMAGES OR LIABILITIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO BUSINESS INTERRUPTION, LOST PROFITS, LOSS OF USE OR LOSS OF DATA, UNDER ANY THEORY OF LIABILITY EVEN IF TELLABS WAS ADVISED OF THE LIKELIHOOD OF SUCH DAMAGES

OR LIABILITIES. TELLABS’ LIABILITY SHALL NOT EXCEED THE NET PURCHASE PRICE OR LICENSE FEE PAID FOR THE DELIVERABLE CAUSING THE DAMAGE, LOSS OR LIABILITY. THIS SECTION 7 SHALL ONLY BE LIMITED IF, AND TO THE EXTENT, REQUIRED BY THE APPLICABLE GOVERNING LAW.

8. Intellectual Property

8.1 Tellabs shall defend Buyer from a third-party claim against Buyer asserting that a Product infringes a United States patent, copyright or trade secret (“Claim”), and Tellabs shall pay any settlement made by Tellabs, Buyer’s reasonable and verifiable costs and expenses, and third-party damages finally awarded against Buyer, provided that: (a) Buyer promptly notifies Tellabs in writing of the Claim; (b) Tellabs has sole control of the defense and settlement; (c) Buyer reasonably cooperates in providing information and assistance; and (d) Buyer reasonably cooperates with any efforts that Tellabs may undertake to replace or modify the Product to avoid infringement.

8.2 In addition, if Buyer is enjoined from using the Product by reason of such Claim or Tellabs determines in its sole judgment that an injunction is likely, then provided Buyer meets Buyer’s obligations (a)–(d) in Subsection 8.1 and absent any replacement or modification provided by Tellabs to avoid infringement, Tellabs may at its sole election: (a) obtain the rights necessary to permit continued use of such Product; or (b) terminate this Agreement, allow Buyer to return such Product for a refund of the amount paid for such Product less depreciation, and if Buyer fails to do so, Buyer will give Tellabs access to Buyer’s facilities during normal business hours to retake the Product.

8.3 Notwithstanding the above, Tellabs is not obligated to the extent the Claim is based upon: (a) a modification made other than by Tellabs; (b) Tellabs’ compliance with Buyer’s designs, instructions or specifications; (c) combination of a Product with other equipment, materials or processes; (d) use of a Product not in accordance with the applicable Documentation; or (e) use of a Product in violation of or otherwise outside the scope of this Agreement ((a)–(e) collectively “Claim Exceptions”). Buyer shall, in a commensurate manner, defend Tellabs for any third-party claim based upon any Claim Exceptions, and shall pay any settlement made by Buyer, Tellabs’ reasonable and verifiable costs and expenses, and any third-party damages finally awarded against Tellabs.

8.4 This Section 8 states Tellabs’ sole obligations and Buyer’s exclusive remedies with respect to any third-party claim based upon intellectual property rights.

9. Termination

The license granted in Section 3 (“License Grant”) is effective for the life of the Hardware portion of the Product for which the Licensed Materials are delivered unless earlier terminated as provided in this Agreement or by Buyer in writing. This Agreement (including such license) will terminate immediately: (a) upon any breach of Section 3 (“License Grant”) or Subsection 15.5 (export compliance) or any

incurable Buyer breach of this Agreement; (b) if Buyer fails to cure any curable breach within thirty (30) days after notice of such breach; or (c) as this Agreement otherwise provides. Immediately upon termination or Buyer's receipt of replacement Licensed Materials and other Tellabs confidential information, Buyer shall immediately cease all use of, and return or certify destruction of, the Licensed Materials and other Tellabs confidential information and all copies. Services may not be terminated in whole or in part without the prior written consent of Tellabs. Termination is not an exclusive remedy.

10. Pricing

Prices for Deliverables shall be as stated in the then-current Tellabs price list. Buyer is responsible for all duties, taxes, levies and fees arising from the purchase, sale, licensing, use and/or delivery of the Deliverables. Buyer shall pay the agreed Deliverables prices with no setoffs or deductions.

11. Payment

Buyer shall pay Tellabs for Products via: (a) confirmed irrevocable letter of credit ("L/C"); or (b) check or wire transfer received at least five (5) business days before the Order's confirmed Shipment date, or, if approved by Tellabs' credit department, within thirty (30) calendar days after the date of the Order invoice. Each L/C shall: (c) allow partial shipments or transshipments; (d) be issued by a Tellabs-designated bank; (e) be opened in favor of Tellabs at least six (6) weeks prior to the confirmed Shipment date; (f) be payable at the counter of the Tellabs-designated confirming bank at sight immediately upon presentation of the Order's commercial invoice, airway bill or packing list and without confirmation by Buyer or any other third party; (g) not require any other documents in order to be opened; and (h) be subject to the rules of the Uniform Customs and Practice for Documentary Credits (2007 Revision)/ICC Publication No. 600, except to the extent that the rules are inconsistent with the Agreement. Buyer shall pay all L/C costs and expenses (including but not limited to all confirmation charges and those costs and expenses pertaining to the issuing bank, the advising bank and/or extensions of the letter of credit). Buyer shall pay Tellabs for Services via check or wire transfer received at least five (5) business days before the Order's confirmed Service start date. Interest on past-due amounts shall accrue at the lesser of one-and-one-half percent (1.5%) per month or the highest rate permitted by law. All shipments are FCA, Tellabs named premises (Incoterms 2000).

12. Title and Security Interest

Title to a Product (excluding the Licensed Materials) shall pass to Buyer upon Shipment. Nonetheless, if the law of the place where such Product is destined requires that Tellabs hold title in order to retain a security interest in such Product, then title shall immediately revert back to Tellabs if Buyer defaults on its payment obligations.

13. Cancellations

Buyer shall pay the following charges for cancellation of Product Orders:

EFFECTIVE DATE OF CANCELLATION (Stated as number of days before the scheduled Shipment date)	CANCELLATION CHARGE FOR NONOPTICAL PRODUCTS (As percentage of total net purchase price of cancelled Order)	CANCELLATION CHARGE FOR OPTICAL PRODUCTS (As percentage of total net purchase price of cancelled optical products)
Fifteen (15) or less	Twenty percent (20%)	Fifty percent (50%)
Sixteen (16) to thirty (30)	Fifteen percent (15%)	Twenty-five percent (25%)
Thirty-one (31) to forty-five (45)	Ten percent (10%)	Ten percent (10%)
More than forty-five (45)	No charge	No charge

Cancellations by Buyer are effective upon receipt of written notification by Tellabs. Buyer may not cancel an accepted Order for Services.

14. Reservation of Rights

Notwithstanding Subsection 15.6, Tellabs may make changes to this Agreement at any time. All such changes shall become effective immediately and apply to all Orders received by Tellabs after the effective date of such changes.

15. General

15.1 This Agreement states all of the promises, agreements and conditions regarding its subject matter, supersedes all prior understandings (whether written, oral or otherwise) and constitutes the entire agreement between the Parties. If any provision of this Agreement shall for any reason be held to be unenforceable (in whole or in part) in any respect, then such unenforceable provision (or part thereof) shall be construed as if it had never been contained herein. Unless the Parties have mutually executed an agreement governing the purchase of Deliverables subject to the Order, all Orders shall be fulfilled strictly in accordance with the terms and conditions of this Agreement, and no other terms and conditions shall apply.

15.2 Buyer shall not assign or transfer the Licensed Materials or this Agreement or any interest in the foregoing except with Tellabs' prior written consent.

15.3 Tellabs and Buyer are each engaged in an independent business. Each Party shall perform its obligations as an independent contractor and not as the agent, employee or servant of the other Party. Each Party shall be solely responsible for: (a) the employment, direction, supervision, compensation and discharge of its own employees, agents and subcontractors, including compliance with social security, withholding and all other applicable regulations; and (b) its own acts and those acts of its employees, agents and subcontractors.

15.4 Any failure by either Party (or by Tellabs' Subcontractors) to fulfill any of its obligations shall not be deemed a breach of this Agreement if that failure is due to Force Majeure. Notice of Force Majeure shall be made promptly in writing to the other Party. The performance of a Party's obligations under this Agreement shall be suspended for as long as Force Majeure exists. Each Party shall take reasonable steps to limit the effect of Force Majeure. If Force Majeure continues for more than six (6) months, then either Party shall have the right to terminate this Agreement upon written notice.

15.5 The Parties are aware of, and shall strictly comply with, all applicable trade sanctions, executive orders, export control laws, regulations, restrictions and the like (including but not limited to those imposed by the governments of the United States of America and the European Community) pertaining to any Products or Services (and the technology therein) supplied by Tellabs or its affiliates or Subcontractors. Without limiting the generality of the foregoing, Buyer shall not export, re-export, transship, divert or transfer (whether directly or indirectly) any such Products or Services (or technology therein) contrary to such trade sanctions, executive orders, export control laws, regulations, restrictions or the like.

15.6 No changes or additions to this Agreement shall be effective unless in writing and signed by Tellabs' authorized representative. Tellabs' failure to insist upon strict adherence to any term or condition of this Agreement shall not be a waiver by Tellabs of its right to thereafter insist upon strict adherence to that, or any other, term or condition.

15.7 Sections 5 ("Confidentiality"), 7 ("Limitation of Liability") and 12 ("Title and Security Interest") hereof and any provision of this Agreement that, given its purpose, interpretation or context, logically should survive the expiration or termination of this Agreement shall so survive.

15.8 If a dispute arises that is not resolved within thirty (30) days from the date that either Party provides the other Party with written notice of the existence thereof, then each Party shall designate an executive who is authorized to investigate, negotiate and settle the dispute. The executives shall exercise good faith efforts to settle the dispute. If the executives do not resolve the dispute within thirty (30) days (or an extended period if they so agree), then the dispute resolution procedure shall be as follows:

(a) If the Tellabs entity is a U.S. corporation, then the Parties shall submit the dispute to non-binding mediation. The venue of such mediation shall be either DuPage or Cook County, Illinois, USA. The Parties shall share equally the costs and expenses of the mediation, except that each Party shall bear its own attorneys' fees. If the dispute is not resolved through mediation within thirty (30) days of the mediator's appointment, then the Parties may submit the dispute to litigation subject to the governing law specified herein. No litigation or any other action pertaining to a dispute shall be pursued unless this dispute resolution procedure has been exhausted. All questions regarding the validity, intention, interpretation, meaning or enforcement of this Agreement shall be resolved under the laws of Illinois (excluding its conflict of laws provisions). Nonetheless,

either Party at any time may pursue equitable relief before any court of competent jurisdiction in order to protect its intellectual property rights or confidential information.

(b) If the Tellabs entity is a non-U.S. company, then the Parties shall submit the dispute to arbitration. All disputes arising out of or in connection with this Agreement shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed within the said Rules. The place of arbitration shall be Stockholm, Sweden. The language of the arbitration proceedings shall be English. All questions regarding the validity, intention, interpretation, meaning or enforcement of this Agreement shall be resolved under the laws of Sweden (excluding its conflict of laws provisions). Nonetheless, either Party at any time may pursue equitable relief before any court of competent jurisdiction in order to protect its intellectual property rights or confidential information.

The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act shall not apply to any transaction entered into between the Parties.

15.9 Subject to full compliance with any written guidelines or requirements that are provided by Buyer to Tellabs in advance and further subject to the usage limitations set forth in the following sentence, Buyer hereby agrees that Tellabs may reference Buyer's name and trademark (a) on Tellabs' internet or intranet corporate websites, (b) in customer presentations, corporate presentations or verbal communications, (c) in Tellabs-produced magazines, videos, case studies, press releases and white papers, and (d) in Tellabs' annual reports. Such usage shall be strictly limited to the following purposes: (e) to identify the Products, Product series or Services that Buyer has purchased or licensed from Tellabs, (f) the generic purpose or application of such Products, Product series or Services, or (g) to reiterate any other information contained in any press release(s) issued by either Party with the other Party's approval. Subject to full compliance with any written guidelines or requirements that are provided by Tellabs to Buyer in advance and further subject to the usage limitations set forth in the following sentence, Tellabs hereby agrees that Buyer may reference Tellabs' name and trademark (h) on Buyer's internet or intranet corporate websites, (i) in customer presentations, corporate presentations or verbal communications, (j) in Buyer-produced magazines, videos, case studies, press releases and white papers, and (k) in Buyer's annual reports. Such usage shall be strictly limited to the following purposes: (l) to identify the Products, Product series or Services that Buyer has purchased or licensed from Tellabs, (m) the generic purpose or application of such Products, Product series or Services or (n) to reiterate any other information contained in any press release(s) issued by either Party with the other Party's approval. In addition to the foregoing, the Parties shall provide each other with reasonable cooperation, assistance and approval (not to be unreasonably withheld) in the creation, completion and publication of any press releases, magazine articles, videos, case studies, white papers or other sales promotions as requested by a Party and pertaining to the transactions contemplated by this Agreement.

15.10 Tellabs shall perform Product repairs and returns pursuant to Tellabs' Global Repair and Return Policy, available at <http://www.tellabs.com/legal/supportterms.shtml> or upon request.

16. Product-Specific Terms and Conditions

In addition to the terms and conditions of this Agreement, use of certain Tellabs Products is subject to Tellabs Product-Specific Terms and Conditions, available at http://www.tellabs.com/legal/tlab_terms-product_specific.pdf or upon request.

17. Support-Specific Terms and Conditions

The terms and conditions in this Section 17 pertain to Support.

17.1 Buyer shall, at Buyer's sole cost and expense: (a) maintain the Supported Product in the operating environment and configurations listed in the Documentation or otherwise approved by Tellabs in writing; (b) be responsible for all day-to-day maintenance of the Supported Product per Tellabs' recommendations and the Documentation, including but not limited to (i) purchasing and warehousing spare parts, (ii) performing all necessary Hardware replacements, and (iii) diagnosing and troubleshooting all Supported Product problems before contacting Tellabs; (c) ensure that all Supported Product databases, database configurations and data stores are backed up; (d) ensure that it has a sufficient number of qualified personnel to perform day-to-day maintenance on the Supported Products and fulfill any Buyer obligations listed herein; (e) cooperate with, assist and provide information to Tellabs as needed to perform the Support (including but not limited to providing an on-site technician); (f) provide Tellabs with access to the Supported Product (including but not limited to dial-in modem access), and all sites, workstations and personnel as necessary to provide the Support, subject to Buyer's reasonable security and operational regulations; (g) fully prepare all sites and Supported Products for Tellabs' performance of Support (including but not limited to providing all necessary and requested electricity, heat, light, plumbing, ventilation and supplies and assuring that all sites are free from actual and/or potential hazards); (h) purchase and/or license (as appropriate) from the pertinent third-party manufacturer or licensor any and all new, different and/or more efficient third-party hardware or software for the Supported Product that may be required in order to implement the Software revisions (including but not limited to any updates, upgrades, feature packages, maintenance releases, bug fixes and the

like) that are supplied by Tellabs from time to time; (i) be responsible (and invoiced separately) for all other incurred costs and expenses not covered by this Agreement, including but not limited to any materials and Supported Product parts; and (j) implement the Supported Product with the most recent (unless set forth otherwise in the Tellabs proposal or agreement to which the Order refers) generally released Software revision, update, upgrade, feature package or maintenance release. Buyer represents and warrants that there are no hazardous substances or conditions of any kind located near the Supported Product or at any location where Tellabs' personnel are likely to be exposed thereto, except as expressly disclosed to Tellabs in advance and in writing.

17.2 Tellabs may, but is not obligated to, provide Support for problems related to: (a) modification or repair of the Supported Product other than by Tellabs or parties authorized in writing by Tellabs on a case-by-case basis; or (b) Buyer's failure to fulfill the requirements listed in the Documentation or in the Section immediately above. If Tellabs provides any Services (including problem diagnosis) related to such excluded instances, then Tellabs may (in its sole discretion) charge Buyer for such Services at Tellabs' then-current time and materials rates and for all related expenses (including travel, lodging and telephone).

17.3 All of Buyer's Supported Products shall be subject to the same Support Term. If Tellabs provides Support for additional Products and such Support is to commence before Buyer's then-current Support Term expires, then Tellabs shall promptly issue an invoice for the Support Fees associated with such additional Products, prorated for the remainder of the then-current Support Term.

17.4 If Buyer wishes to purchase Support for a Product (including used Tellabs products acquired other than from Tellabs) and such Product was not a Supported Product under an agreement between Tellabs and Buyer on either the date that it was first put into commercial use or the date of Buyer's request for such Support, then Tellabs shall be entitled to inspect the Product in order to determine whether any repairs, adjustments, Software revisions or the like are necessary as a precondition for such Support. All required repairs, adjustments, revisions and the like shall be purchased from and performed by Tellabs at Tellabs' then-current time and materials rates (plus all travel, lodging and incidental costs and expenses arising therefrom) before Support will be provided.
